

Department of Electrical and Computer Engineering  
Louisiana State University  
**Department Computer Usage Policy**

1. Do not install ANY software, public domain or otherwise, onto the system. All software will be installed by the System Administrator. If you need software installed see the System Administrator.
2. This account is for your use only. Password disclosure is not allowed and will result in account termination. **Note:** This is more restrictive than the current LSU Computer Usage Policy.
3. Use difficult passwords. Security violations resulting from weak passwords will result in account termination.
4. **NEVER** attempt to reboot or power down a workstation. If a workstation appears "hung" contact the System Administrator.
5. Do **NOT** store any files in the /tmp or /usr/tmp directories. This will cause system problems and the files will be automatically removed. If you require additional disk space ask the System Administrator.
6. Manuals must remain in the lab. Do not remove them.
7. Each user will be given 200 Pages to print per semester regardless of computer platform. Additional pages can be purchased for \$0.10 per page in \$1.00 increments.
8. No Food, Drink, or Tobacco products allowed in the lab.
9. Each user must clean his/her area before leaving the room.
10. You must read and comply with the LSU Computer Usage Policy.
11. In the event of conflicts between the LSU Computer Usage Policy and the ECE Department Computer Usage Policy, the ECE Department Policy will take precedence.
