A regular meeting of the LSU Faculty Senate Policy Committee convened at 1:14 PM on Wednesday January 28, 2026 in the School of Music's Boardroom on the LSU campus in Baton Rouge. Four of six committee members were present (Osborn and Snow were absent). There were no guests or public comments.

Chair's update: Need to finish with PS-104 so we can forward to Office of Academic Affairs (OAA).

Committee worked on PS-104 (v4). A number of infelicities were discussed and corrected. Committee lamented that this revision of PS-104 is not being taken up concurrently with the progressive disciplinary policy we drafted and voted out last year. These two naturally dovetail with one another. Bazayev will make this point to OAA. Committee voted to pass this revised version (v4) of PS-104 out of committee following a motion by Roland.

Committee briefly discussed PS-50A. Focus was on section on non-faculty academic employees. Will continue with this next meeting.

For next time, start thinking about a policy governing use of student/course evaluations on campus. Ravi will forward a white paper on this prepared in 2016 by the College of Science policy committee.

Meeting adjourned at 2:30 PM following a motion by Roland which passed unanimously.

Jeffrey Roland, Secretary
